**4 Reports**

**4.1 Carols in the Village Update**

Gavin reported on several meetings held between Veronica, Gavin and Monique Gaskin, the Monash Council Community Events Liaison Officer. Work has been done to fulfill the four priorities to be met by the local By-Laws Department.

1 *Gain the support of local traders.* Now 62 of the 65 traders have provided written evidence of their support. Only one trader does not support the Carols.

2 *Certificate of Currency to cover activities to be undertaken.* Gavin has organised an insurance indemnity form from VCC which was accepted by Council.

3 *Site plan with time intervals given.* Council required more details which were provided at the second meeting.

4 *Pedestrian management plan* This plan has been refined.

Ros has sent letters to the Ministers and Choir leaders of the member churches and to the Principals of 14 local Primary and some Secondary Schools seeking participation. Members are invited to follow up with their parish schools. Rev Julie will follow up on Huntingtower School. Syndal South and St Mary Madgalen's Primary Schools will not be participating. Volunteers from the churches are needed to work on crowd control and a qualified First Aider is required. It was suggested that the ICC should approach St John's Ambulance to help provide a volunteer.

## 7 General business.

7.1 Way of the Cross:- The GWICC members were happy for the MWCICC to join with their procession again in 2013. The successful Glen Waverley Good Friday Celebration has been going for 30 years and aims to attract the general public. Thus hospitality is not offered. As arrangements were so rushed for the 2012 event, Rev Julie Ross was the only minister who contributed. Val Noble is the GWICC coordinator so is the contact person. There was some discussion about MWCICC's decision for 2013 including the distance from the Mount Waverley and Chadstone churches to Central Park Glen Waverley and hospitality after the procession. It was decided to again defer this agenda item to the next ICC meeting

### 7.2 Advent advertising in The Leader newspaper shared with Glen Waverley

It was agreed by all to again insert a paid advertisement in The Leader at both Advent and Easter with a message from one of the Clergy. MWCICC will provide the message at Advent and GWICC at Easter. Both website addresses which will "point to" service times and locations will be included in the advertisements. The cost for each advertisement in 2011/2 was \$500 or \$250 for each ICC.

### 7.3 Advent and Carols billboard:-

It was decided to approach a local Real Estate Agent to print and erect the board for both the Carols and Advent. No decision was made on the design of either the Carols or Advent board. Permission must be sought from Monash Council to erect the boards, hopefully at the NW corner of Stephenson's and High Street Road. .

### 7.5 Food for Friends:- November 26 to 30

Margery circulated the 2011 roster and list of recipients so members could confirm their preferences for 2012. All present were able to confirm these. However, several churches were not represented. The churches are urged to contact recipients to confirm collection of the donations, preferably on Friday November 30<sup>th</sup>. Ros will contact the Ritchies IGA for permission to use the area in front of the store. St John's Narthex is available for sorting.
