We have asked them to reply by the end of November and let us know if they have any students who would interested in taking part or attending with their families. UPDATE ON MT. WAVERLEY'S CHRISTMAS PLANS. Ros told us that the Community Carols have been cancelled after ten years. It had previously been held on a parking area and in the Community Centre, in Mt. Waverley. In the past, not many non -church members had attended. The Mayor and Monash Council are very disappointed.

ECUMENICAL CELEBRATIONS-2022/2023-Joe. This year churches lit candles and said prayers for branches of the church, (eg. Catholic, Anglican, Uniting). In 2023, it is hoped that people will visit other churches as they have before the pandemic. It is hoped that churches will keep candles that they use and re-use them year after year. Ros said that she hopes churches will visit other churches again. Members of the two committees were asked to submit any ideas for the Ecumeni-

cal celebrations before our February meeting. Joe emphasised that visitation is not compulsory-it is just good to welcome representatives from other churches.
